---

The UK is an increasingly popular destination. Not only because of the beauty of the green countryside, ancient cities and quaint villages, but also because of its visible history in many places. Follow in the footsteps of Shakespeare, the Queen or the Beatles!

London is for sure the number one destination, but don't miss out on Wales, Scotland, Cornwall and Kent!

You will be surprised by the diversity of the British countryside such as the Cotswolds or the Lake District and discover the British cuisine - enjoy a typical "English breakfast"! Discover the many castles and churches such as in Canterbury, Salisbury and Gloucester.
