Welcome to Beverly Travel Dmc

Welcome to Italy

Bella Italia - Italy is without a doubt one of the most beautiful and diverse destinations in Europe. The Alps in the north with South Tyrol, the Aosta Valley, the Piedmont and Veneto offer fabulous winter sports conditions. The Italian lakes are ideal for swimming and hiking holidays. Then there's the endless coastline along the Adriatic- and the Tyrrhenian Sea as well as the islands such as Sardinia, Sicily and Elba and Ischia.

Good food, wine and visits to historical sites can be combined with a beach holiday. Thanks to good flight connections, city breaks to Rome, Milan, Venice or Florence are easy to do.

The climate is temperate in the north and subtropical in the south. Summer is the best time for a beach holiday. Spring and autumn are just ideal for a city break and cultural travel while autumn and winter are perfect for skiing in the Italian Alps.

Our attractive offers invite your groups to experience the true diversity of Italy.
